Subject Rescheduled: Hold for discussion re: HQ comments on WA
evaluation - **non-responsive** Code: **non-responsive** (Dec 20
01:00 PM EST)

I will send around a version of R10's evaluation of WA's 303(d) list as it relates to OA with comments/edits from me, Julie and Ruth. We thought it might be helpful and most efficient to set up a quick call to discuss some of our comments/questions. If you don't think a call is necessary after you had a chance to take a look at our comment/edits, we can always cancel it.
